CAREER OBJECTIVE

Enthusiastic and detail-oriented Computer Science graduate seeking a Full Stack Developer position to apply strong foundations in front-end and back-end technologies. Eager to contribute to building efficient, scalable web applications while continuously learning and growing in a collaborative development environment

EDUCATION

Bachelor of Engineering (B.E.) – Computer Science and Engineering

NPR College of Engineering and Technology | Expected Graduation: 2027 (Currently in 4th Year)

PROFESSIONAL EXPERIENCE

Cloud Computing Intern (AWS) — Eagle High-tech Softcloud Pvt. Ltd.

1-Month Internship, 2026

- Completed a 1-month internship focused on AWS Cloud Computing fundamentals
- Gained hands-on exposure to core AWS services and cloud infrastructure concepts
- Learned the basics of deploying and managing resources in a cloud environment
- Strengthened understanding of cloud computing principles relevant to real-world applications

TECHNICAL SKILLS

- Operating Systems: Linux (administration and shell basics)
- Programming Languages: Python, Java, C, C++
- Databases: MySQL
- Core Interests: App Development

PROJECTS DONE

Bharat-Setu: AI-Driven Alumni-Student Mentorship Platform | MERN, Python, Solidity

- Built a full-stack mentorship platform connecting students with alumni mentors using React, Node.js, Express, and MongoDB, with JWT-based authentication for secure role-based access (student/alumni/admin)

- Implemented an AI matchmaking engine using KNN and TF-IDF to recommend mentors based on skills/interests, improving match relevance over manual/random pairing
- Designed blockchain-based credential verification using Solidity smart contracts to ensure tamper-proof validation of alumni credentials
- Integrated multilingual NLP content moderation using BERT to filter inappropriate messages across regional languages

KEY STRENGTHS

- Quick learner with a strong interest in front end and backend
- Good analytical and problem-solving ability
- Strong fundamentals in Python and systems concepts
- Adaptable, disciplined, and eager to take on new technical challenges

LANGUAGES KNOWN

- Tamil
- English

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge and belief.
